

Black Market Audio Live is:

Arjo : keyboard, samples/deck (on stage)
 Bert : guitar, laptop (on stage)
 Ton : vj-visuals (on stage or elsewhere)

Specs Front-Of-House PA mixing desk

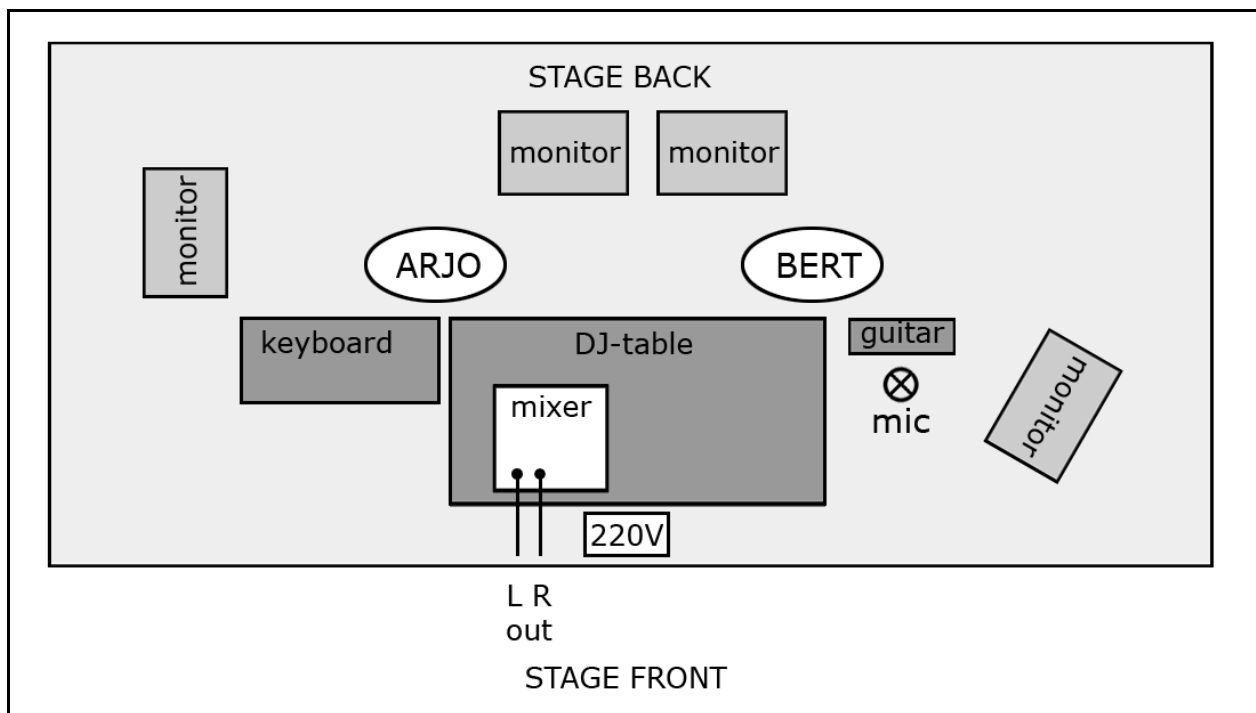

Keyboards, guitar, microphone, laptop, decks are all mixed on stage by Arjo and Bert. For front-of-house PA mixingdesk is a stereo-out (L/R by jack + DI) available.

Specs monitor stage

Arjo and Bert don't use any (own) amps on stage. Keyboards, guitar and samples need to be heard loud by monitorsystem on stage. Same mix as FOH mixing desk.

And also:

- 8x 220 V (near stage-mixer)
- 1x microphone stand + boom + clip + microphone + XLR-cable
- 2x DI + 2x cable jack-DI
